## Description

---

AKW aluminium white powder coated L shaped shower curtain rail, available in a range of sizes.

These L shaped rails are ideal for corner shower areas.

The rail can be reduced in length and cut down if required.

Supplied with 1x 600mm drop rods and fixings.

### Key benefits:

- Continuous rail with no joints
- Aluminium white powder-coated finish
- Range of sizes
- Includes 1x curtain rail, 1x drop rods, fixings, 2x hooks; and gliders
- Designed for curtains of 0.8kg or lighter

### Installation:

- For installations in corners
- The drop rod screw in to the top of the rail, and does not interfere with running of the curtain glides or hooks
- 1x ceiling fixing shoes supplied - connects drop rod to ceiling
- Rail ends can also be trimmed down as required
- Curtains sold separately

### Warranty:

- Lifetime manufacturer warranty
